## AN EXPRESSION OF APPRECIATION

---

The Eastern National Livestock Show is pleased to announce that the premiums offered for the 1960 Show are over \$50,000.00. The grand cooperation of the Maryland State Fair Board makes this possible. This year the Fair Board has awarded \$26,055.00 for the Fall Show and \$2,022.00 for the 1960 Spring Hog Show. The State Fair Board composed of Frank D. Brown, Jr., Chairman, Port Deposit; Louis McL. Merryman, Vice-Chairman, Sparks; Olin Davis, Sr., Golts; Richard N. Wills, McDonogh; Earl C. Robertson, Cumberland; Fred C. Ernst, Clear Spring; Albert J. Bailey, Hebron; Howard W. Clark, Glenelg; John M. Crum, Frederick; R. Nelson Phelps, Executive Secretary, Timonium, has been very generous.

In addition to the Fair Board the Eastern National Livestock Show is very appreciative of the support of the various beef cattle, swine and sheep breed associations.

There are also many individuals and organizations whose efforts and support have been of the utmost benefit and therefore are generously acknowledged.

In a sincere effort to continuously improve our Eastern National Livestock Show, your Directors and members of the Executive Committee are always looking for betterment. Several innovations have been added this year. Of primary importance is the Classification for Carcass steers, the Quality Beef Carcass Show. We hope to make this, our 14th show, uphold the high caliber of previous shows.

# The Eastern National

---

---

The Eastern National Livestock Show, fourth largest livestock event in the nation, actually had its beginnings 32 years ago. In 1928, a handful of forward-thinking citizens, most of them cattle raisers or meat packers, organized the Baltimore Livestock Show and held their first exhibition at the Baltimore Union Stock Yards.

In the first year, nearly 2,000 head of livestock were shown and later auctioned off for \$247,000. A new world's record of 50 cents a pound for the grand champion load of fat cattle was achieved in that year . . . **It has been exceeded many times since then.**

The show's promoters had made the first step toward their goal to make Baltimore the largest livestock market on the East Coast. Another primary objective, of course, was the development and improvement of Eastern livestock.

The Baltimore Livestock Show continued at the Baltimore Union Stock Yards through 1946. The next step was taken in 1947.

Limited because of the facilities at the stockyards, the show group decided to make a move to the more spacious Maryland State Fair Grounds, where the huge barns, judging pavilions, restaurant facilities, sale rings and grazing fields offered the finest facilities to exhibitors. The name also was changed to the Eastern National . . . indicative of the show's expansion to something more than a local or area exposition.

## EMPHASIS ON QUALITY

Throughout the years, the objective of the show has been **quality**. This emphasis has apparently proved successful because the Eastern National has become the largest and finest livestock show in the East. Paralleled with this advance has been the rise in Baltimore's position in the livestock shipping and meatpacking industry to eighteenth in the nation and second in Maryland industry.

Then, too, the Eastern National also stresses the importance of young livestock breeders. Such emphasis has resulted in the show becoming the culmination of all 4-H and FFA livestock endeavors in Maryland and many adjoining states.

The Junior Show—4-H Club and FFA exhibits—makes up the largest part of the Eastern National and is the second largest show of its kind in the country.

## CONTRIBUTES TO ECONOMY

The Eastern National contributes to the strong trend toward a livestock economy in the territory it serves. It provides a medium of stimulus to the greater production of meat for Eastern consumers and also provides a special stimulus to the improvement in the quality of animals. It is one of the twelve regional shows of the country as

recognized by the various Breed associations, and is the only regional show located in the East.

With the industrialization and increase in population on the West Coast, more mid-Western meat is going West, leaving the East more and more dependent on its own meat production.

This has been recognized not only by the management of the Eastern National, but recently by cattle raisers, bankers and other agricultural interests in Pennsylvania who established the Pennsylvania Livestock Exposition several years ago.

The Eastern National is supported almost entirely by memberships . . . by breeders, cattle feeders, the meatpacking industry and marketing agencies.

If the show is to continue to grow . . . and to meet this increasing competition . . . it must have new support.

You, too, can be a "partner in the progress" of livestock improvement and the increase in the agricultural economy of the East. Won't you join the Eastern National TODAY?

## QUALITY ALWAYS

This principle is the basic reason that we consistently rank high in our purchases of prize livestock at the Eastern National Livestock Show. It is the reason quality buyers say: "Don't guess —get Goetze's."

## **Wise Words Of Wisdom**

Ring-a-ding ding,  
Three men in the ring,  
And who do you think they be?  
The butcher, the breeder,  
The cattle-man's judge,  
And how will they agree?

In the welter of opinions, the confusion of research, and the juggling of weight figures, you have to hand it to the breeder, who has the courage of his convictions, to bring his best into the show ring; and thus exhibit his solution in fact to the problems at hand. We have never shirked our responsibilities as a breeder, and hopefully as a breed-improver.

# *What*

## **DO DEVON CATTLE OFFER THE BEEF PRODUCER?**

- Exceptionally fast growing calves—because Devon cows make more milk than other beef stock.
- Extra profit from grass — because Devons are thick-muscled, lean-meated, steady-grazers, bred for grass farming.
- Superior tolerance to heat — because their skin, glands, hair and color have qualities resistant to heat problems.
- Bulls for crossbreeding that add weight, fleshing, heat tolerance, hardiness to commercial calves.
- And—very important to you, Mr. Beef Producer — Devons can be purchased with weight-for-age performance records . . . Growth Index Records.

This Devon bull calf's Growth Index Record is 500 pounds at 122 days of age; 1000 pounds at 322 days!

## **William F. Schluderberg Memorial Classes For Novices**

(Open to 4-H Club or F.F.A. members exhibiting for the first or second time at The Eastern National Livestock Show, Inc.)

We are pleased to announce the continuation of the William F. Schluderberg Memorial Classes for Novices at the Eastern National Livestock Show as a memorial to the late William F. Schluderberg who was President of our company and Vice President of the Eastern National.

Mr. Schluderberg, or "Mr. Will," as he was affectionately known, was a leader in promoting the interests of the Livestock and Agricultural Industries and was always very enthusiastic in his support of 4-H and F.F.A. Club work.

Because we feel that his efforts and support have contributed in a large measure to the growth and development of this project work in this area, this memorial is established to perpetuate his memory and to continue to encourage the 4-H and F.F.A. boys and girls to greater achievement.

#### ANNOUNCEMENT OF THE ESSKAY DINNER

The Wm. Schluderberg-T. J. Kurdle Company will entertain members of the 4-H and F.F.A. groups, County Agents, extension officials at the University of Maryland, and the official judges at the Show at a dinner at their plant followed by an entertainment in their Auditorium, Tuesday, November 15, 5:30 P. M.

All winners of the William F. Schluderberg Awards must attend the Esskay Dinner and Program.

Because of the increasingly large number of 4-H and F.F.A. members expected to attend and the limited facilities available, this invitation must necessarily be restricted to the groups mentioned.
